"Parent King"

As we shared today, "parent kings" lead and protect ... please answer the following questions (with your spouse or alone) to help you think through your role as "parent king:"

Leading:

- Who leads your family ... you the parent or your children?
 - The family's schedule ...
 - What your family does ...
 - Where your family goes ...
- How will you remedy any discrepancies?
- Do your children respect your role as "parent king" (family leader)?
 - How can you improve this if needed?
- Who determines the overall climate of your home ...
- How do you support and back one another up as a parenting team?

Protecting:

- Who and / or What are the threats to your family?
 - What materials are already in your home that may be harmful to your children? (books, cds, videos, magazines, etc.)
 - What are the technology "infiltrations" taking place?
 - Shows, songs, artist, games that could damage your child's heart?
 - Who are the friends of your children ... what is their influence positive or negative? How do you address those concerns?

Pray:

- For the wisdom and strength to become the parent king(s) of your family; and to take back leadership and control within your family.
