Scheduling Family Fun Times! (Merriment)

Think about the things you like to do together as a family. Ask each family member what he or she would like to do for a fun time together. Now see if you can schedule some of these into this year's fun times calendar. Are there special days in the year that you like to celebrate ... birthdays, etc? Write in an idea or two for each month. Set a date on your family calendar for these to happen!

February - Valentine's Day ...

March - Easter - March Madness
