

The 12 Minute Miracle

Dave and Claudia Arp have introduced couples to their “**10 minute miracle**,” a plan for beginning devotions together as a couple. At House on the Rock we’ve adapted that concept into the “12 Minute Miracle!”

Leadership: is designed to take all the pressure off of one spouse.

Husband: leads on Mondays, Wednesdays and Fridays.

Wife: leads on Tuesdays, Thursdays and Saturdays.

Sundays? ... let the Lord lead.

Part 1: **Read** (4 minutes)

Begin your time together with a 5 minute devotional reading. Leader for the day reads the passage out loud. Use anything that gets you in the Bible: a Biblical text, couple’s devotional book, or a devotional booklet like “Daily Bread.”

Part 2: **Share** (4 minutes)

Take 3 minutes to share anything that “speaks” to you regarding the passage and to discuss ways you could apply these thoughts / truths to your lives as individuals and a couple.

Part 3: **Pray** (4 minutes)

Hold hands as the “leader” opens and prays for 1 minute asking the Lord to help apply these things to your lives; Partner closes prays for 1 minute.

The “miracle” is what this time will do for you and your marriage!
